1. Please sign the waiver online at <https://forms.gle/yTJKppn78GpHQLHJ8> prior to attending any programs at Chelsea's Dance Pac. The waiver can also be found on our home page of our website www.chelseasdancepac.net
2. Dancers are asked to line up outside the studio on each line. The lobby will not be used as a waiting area. A mask must be worn inside the studio at all time except while dancing. If you have smaller children and have concerns you may bring them to class with the teacher but then wait outside in your vehicle. Please ensure we have the most up-to-date contact information on file.
3. A staff member from Chelsea's Dance Pac will come outside to welcome the dancers to class. At this time all dancers will be asked to please sanitize their hands upon entry. Dancers will be asked to place their shoes neatly on the shoe rack by the exit. The dancers will be then escorted directly into a studio and taken to a 6' x 6' square. Once in the studio dancers will be able to remove their mask, if they wish, once the class is ready to begin. Please label masks if possible and have a baggie to place the mask in while dancing.
